CLUB OF MISSION VIEJO

MADNESS NEWSLETTER — Sept. 13, 2020

Membership Application Submitted Via Website

Martha Uriarte, a resident of Mission Viejo, has submitted an application for membership in the club. The native of Peru came to the U.S. in 2001.

She is the mother of three including two girls attending Castille and Newhart. She is a member of AAUW and was the former student representative on the Saddleback College Governing Board.

She participated in a Zoom orientation meeting last week with a group from the Membership Committee.

Join the Tuesday morning meeting and say hello to Martha.

Foundation now being considered

The Board has authorized Jeff to pursue more details on creating a Foundation.

He has learned that the E Account funds can be transferred to the Foundation, creation of a Foundation costs can be paid from the E Account and a separate Board of Directors would be created. All donations under the **501(c)3** designation would be tax deductible unlike contributions made under our **501(c)4** status.

Jeff received the following email from a member of Upland-Foothill Kiwanis Club:

I would be happy to assist you in forming a club foundation. I do not charge for my time. The cost to your club will be the filing fees and cost of a corporate kit for the new corporation to be formed (less than \$1,000.00).

Remember way back when...?

GRIDDLE DAYS— In a bygone era, pancakes and Mission Viejo Kiwanis were synonymous. See some folks you know? Greg, you are excluded from guessing! Anyone remember this specific occasion? Looks like it was a good turnout.

ITEMS OF INTEREST (POSSIBLY)

New Division 4 Lieutenant Governor Eric Rivas of Huntington Beach will be officially installed on Sunday, Sept. 27, at the Region 3 Installation. This will be an in-person event at KiwanisLand in Garden Grove from 3-6 p.m. He will be replacing Lt.Gov. Jerry DeBar of Santa Ana on Oct. 1.

Each Kiwanis club has until September 30 to add new members and until October 10 to delete non-returning members.

Warren records club Zoom meetings. Contact him if you would like a link to view a past meeting.

The annual Red Ribbon Walk won't be held in person. It will be instead by a virtual event with a program and contests for students.
