CLUB OF MISSION VIEJO

MADNESS NEWSLETTER — JANUARY 3, 2021

"I need to practice social-distancing ...

...from the refrigerator."

We are having a regular Kiwanis meeting via Zoom Tuesday at 8 a.m. Hoping to see many faces. Be ready to share all of your holiday adventures.

Bill Garrett presented \$500 to Richard Stember of the Science Heads group to help buy new GoPro cameras lost in the November High Altitude Balloon launch. Bill is also a Science Heads member.

Reacting to the Year in Review

Looking back we accomplished a lot for the community during this restrictive year. Well done.

That's awesome that you did this Warren, thanks.

Thanks for giving us the past event calendar. It was interesting. But you overlooked the most significant event of the whole year, and that was the **BIG GAME** where Stanford beat Cal in double overtime! As a result, Pete had to buy Ed a 6-pack of ARROGANT BASTARD beer. I can't put into words how good it tasted!
