## How to make See's orders online; send a sample letter to friends

Once again, the Kiwanis Club of Mission Viejo (MV) is offering you an opportunity to support community service programs in the Saddleback Valley through our only fund-raiser involving See's Candy. There's a new wrinkle this year though. Due to the pandemic, **all sales will be made online** -- a first in our 53-year history of supporting programs for youth and those in need.

To make your purchase, just click on the link I've provided and you will be directed to our catalog and order page which mirror that of online retailers that have become familiar to you. Just point your mouse on the desired item and click the selected item in the "bag". If you wish to order additional item, click on the "continue shopping" and proceed to order more. Once you are done shopping, proceed to checkout. Most credit cards and Pay

**Martha Uriarte delivered \$150 worth of craft supplies to Lindsey Clark, a specialist with the Child Life Program at CHOC Mission Hospital. Funds from the Baby Bottle collection and a contribution from a member also produced a Target gift card.**

Pal are the forms of payment. Items will be shipped to your home or other address you provide. If you need assistance, don't hesitate to contact me and I will talk to you through the process.

Naturally, with change comes -- well -- change. By ordering directly online you will have access to more items than we were able to offer in previous years.

Also, there will be a shipping charge per below:

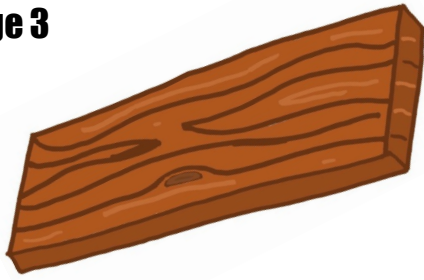

Under \$35= \$6.95, \$35-\$65= \$4.95, Over \$65 no charge
