Pay Dues now ASAP

The club has received the annual dues bill from Kiwanis International and Cal-Nev-Ha District for our official 25 members of record.

Kathy must pay this bill by Nov. 30, so please pay the latest invoice so that our "A" Account can cover it.

In the past the club billed members in December for the annual dues in a lump sum, but for the last two years the amount has been pro-rated over a 12-month period so as to avoid one larger bill at the holidays..

This year KI dues are \$77 per member and the District is \$51.

In January we should receive another bill for the Division 4 dues which cover expenses for the Lieutenant Governor.

WORDS TO LIVE BY

AT LAST WEEK'S MEETING
